"This Institution is an Equal Opportunity Provider & Employer"

Remember-Scattered Site homes-it is **your** responsibility to keep your yard mowed and in “good looking” shape.

Also, by keeping your gutters cleaned out will eliminate any future problems, with the possibility of flooded basements or other damages that might occur.

Parkview and Rolling Hills residents-”how about that new paint in all the common areas”? Looks GREAT-doesn’t it, and there are more surprises on the way. The new look is just what we needed to give everyone a “lift” out of the **boring old**, into the **exciting new**.

~~~SOMETHING COOL AND REFRESHING~~~

(and super easy to make)

### **Root Beer Float Pie**

- |                                                      |                                   |
|------------------------------------------------------|-----------------------------------|
| 1 8oz container of whipped topping-thawed            | 3/4c root beer                    |
| 1/2c milk                                            | 1 pkg instant vanilla pudding mix |
| 1 graham cracker crust-9”(pre-made or make your own) |                                   |

Reserve and refrigerate 1/2 cup of whipped topping for garnish. In a large bowl, whisk together root beer, milk and pudding mix for about 2 minutes. Fold in half of the whipped topping. Spread in the crust, spread the remaining whipped topping over the pie. Freeze for 8 hours or overnight. Just before serving add a dollop of whipped topping on each slice and a maraschino cheery for just a bit of color.

Hint-if root beer is not your favorite kind of pop, you could use anything that sounds good to you-Coke-orange-Sprite or even lemonade might be just what you need.

**Give this easy treat a try!!**

Hoping you have a very meaningful Flag Day!

## *A Father's Hands*

Father's hands, worn and strong,  
 Building a world where I belong.  
 Each line a story, each scar a lesson,  
 Crafting a life with every session.

You built my dreams with every nail,  
 Your steady hands, they never fail.  
 Through storms and sun, through joy and pain,  
 You stood unwavering, a constant main.

Your hands, the first to hold me tight,  
 Guiding me through the darkest night.  
 In your grasp, I learn and grow,  
 In the warmth of love, a constant glow.

Here's to the hands that have held my own,  
 Here's to the love that has always shown.  
 Father, my gratitude knows no bounds,  
 In your love, my life is found.
